

Track three: Applied Cytology Techniques

Level	Course Code	Course Title	Required or Elective	Pre-Requisite Courses	Credit Hours	Type of requirements (Institution, College, or Program)
Level 1	373541-2	Research Methods	Required	-	2	Program
	373541-3	Principle of cytology	Required	-	3	Program
	373527-4	Gyne-cytopathology (1)	Required	-	4	Program
	373536-2	Anatomical Laboratory Quality Control Management	Required	-	2	Program
Level 2	373528-4	Pathophysiology for Cytopathology	Required	-	4	Program
	373530-2	Body fluids preparation techniques	Required	-	2	Program
	373508-2	Research Methods I: Building a Proposal	Required	-	2	Program
	373529-4	Gyne-cytopathology (2)	Required	373551-3	4	Program
Level 3	373509-2	Research Methods II: Implementation of Research Plan	Required	-	2	Program
	373533-4	Cytogenetic analysis	Required	-	4	Program
	373531-4	Advanced Histotechnology	Required	-	4	Program
	373537-4	Non-Gyne cytopathology 1	Required	373508-2	4	Program
Level 4	373522-3	Student Project	Required	-	3	Program
	373538-4	Non-gyne-cytopathology (2)	Required	373543-4 373544-4 373546-4	4	Program
	373539-3	Cytopathology clinical practicum (hospital training)	Required	373509-2	3	Program
